Parish Council

## “Pride in the Community”

Throughout this past year, the Parish Council have been mindful of the current global pandemic and the financial climate and have voted not to increase the precept.

Therefore, at the Parish Council meeting of 7<sup>th</sup> December 2020, the Parish Council RESOLVED that there will be **‘NO’** increase to the 2021/2022 Parish precept charge.

Trafford Borough Council were informed of this decision.

A Parish Council can raise a local tax (the precept) which is collected via the Council Tax and paid to us by Trafford Council. The precept is paid by every household and varies in accordance to your property band in the same way as the Council Tax. The precept is spent within the Parish and will be laid out in the budget approved by Parish Councillors.

The precept bandings for 2021-2022 are as follows:

Band A	34.69
Band B	40.48
Band C	46.26
Band D	52.04
Band E	63.60
Band F	75.17
Band G	86.73
Band H	104.08

After an extensive HR exercise in the past year, two local candidates were successful in securing a part time position each, within the Parish Council as Community Improvement workers.

The Parish Council are delighted to report that the existing team has been enhanced tenfold and the continued improvements in the appearance of the village and established levels of service will be maintained and grow with each passing year.

The Community Improvement operatives will continue to be a ‘helping hand’ to those most vulnerable in our community and in addition, the Parish Council will continue to work alongside the Ward Cllrs, TBC, THT & YHG under the M31 project.

Fly tipping is still a cause of concern within our village. Fly tipped rubbish is defined as ‘dumped rubbish on a site that is not licenced to accept waste, the waste may include general household rubbish larger household items, i.e., mattress’s, fridges, garden refuse or commercial waste’. It is an offence that can lead to a fine or imprisonment and will be reported to the TBC Environmental Improvement Officers who will actively try to find evidence of people fly tipping and will take action against those individuals.

If you see this offence being committed, please report online via the TBC portal or to the Parish Council via the website or email address.

As was very much appreciated last winter, the Parish Council will once again continue with their efforts at making safe the arterial paths and spaces most hazardous when Trafford Council do not have the resources to do so. The Parish Council will continue to add value to the established public amenity works of Trafford Council and actively maintain those existing Partington owned ones.

Please use the space below to leave your comments and return them to the Parish Council, details below.
