Funded hours must be claimed on the Early Years Portal using the specified term dates above. Providers can choose to deliver the funded hours in line with the term dates or they can deliver them over different weeks within the term. Hours must be delivered in line with the Early Education and Childcare Statutory Guidance.

Children are entitled to a maximum of 570 funded hours per year, or 1140 if they are eligible for 30 hours childcare. Funded hours can be delivered on a term time only or all year round basis.

Term Time Only

These hours are claimed during term time over 38 weeks of the academic year. The maximum number of hours available to claim per week is 15.

All Year Round

These hours are claimed over 47.5 weeks of the academic year. The maximum number of hours you can claim per week is 12. Providers claim the maximum number of weeks available, to be delivered during the above dates.

Where providers are not open for 38 weeks of the year on a term time only basis or over 51 weeks all year round - please contact the early education team.
