## STATEMENT OF REASONS

In 2008 the Department for Transport issued guidelines to all local authorities to review speed limits on A & B category roads. Following this Greater Manchester Highways Forecasting and Analytical Services and the GM Joint Road Safety Group undertook a review of speed limits which identified a number of anomalies with the existing Speed Limit Orders and inconsistencies across the Speed Limit Orders within the 10 districts. As a result it was recommended that a combined Speed Limit Order be created for each of the Greater Manchester Authorities.
