STATEMENT OF REASONS

The Wharfside Way (A5081)/Sir Matt Busby Way/Sir Alex Ferguson Way junction has been amended in such a way that vehicle movements have been restricted and cycle/pedestrian facilities have upgraded. The left turn from Wharfside Way, eastbound, has been retained, but there has been a significant level of non-compliance to the right turn prohibition, from the slip road into Victoria Place, that has been introduced to reduce conflicts between vehicular traffic and pedestrians/cyclists using the new 'toucan' crossing facility.

It is considered that the introduction of a physical feature to prevent the illegal right turn taking place cannot be provided without significantly compromising the space for large vehicles and, after due deliberation it is proposed to permanently close the 'left turn slip' from Wharfside Way to Sir Alex Ferguson Way to all vehicular traffic except pedal cycles.

The Prohibition of Driving Except Pedal Cycles Order will become operative on 1st May 2020.
