- Information stalls from local organisations: grief counselling, legal advice, community support
- A safe, supportive space to connect and learn

Why Attend:

- Break down barriers around talking about loss
- Find the right support for you or someone you care for
- Help strengthen connections between professionals and the community

**Free drop in event open to all
Trafford residents**

Talks to take place at 10:30, 12:30 and 2:30.
